COUNTY OF FREESTONE, TEXAS
COUNTY JUDGE DIRECTIVE
DUE TO PUBLIC HEALTH EMERGENCY

At this time there are have been 8 positive cases confirmed of Freestone County residents. Only 5 are considered active cases and one of those is at the prison.

The DSHS will be releasing information soon on those cases that should reduce our number as those individuals recover.

We should still continue to follow all the recommendations and requirements from the state, federal and local governments to **practice social distancing** and **follow personal health hygiene practices**, such as **washing your hands, wear a mask or a cloth face covering** whenever you are out in public and cannot maintain 6' social distancing, **limit to only one person per household** to handle essential functions, such as grocery shopping, whenever possible, to limit exposure for your family and for the workers who are serving you in this critical time.

We, as a County, are all in this together. We can show this support by being faithful to follow the precautions.

If you need information, the County Judge's office is available to assist you at 903-389-3335.

ALL OF US WORKING TOGETHER CAN MAKE A DIFFERENCE.
