## COUNTY JUDGE DIRECTIVE DUE TO PUBLIC HEALTH EMERGENCY

There are 2 new confirmed cases in the County. One is a female in the Fairfield area and one is a male in the Wortham area. There have been a total of 12 positive cases confirmed for Freestone County residents. The Department of State Health Services (DSHS) shows 3 active cases.

We should still continue to follow all the recommendations and requirements from the state, federal and local governments to practice social distancing and follow personal health hygiene practices.

We, as a County, are all in this together. We can show this support by being faithful to follow the precautions recommended.

All of us working together has made a difference for our County.

If you need information, the County Judge's office is available to assist you at 903-389-3335.
