**COUNTY OF FREESTONE, TEXAS**  
**COUNTY JUDGE DIRECTIVE**  
**DUE TO PUBLIC HEALTH EMERGENCY**

We received confirmation today of 2 new cases of COVID-19 in Freestone County for a total of 5 cases in the county. Both of these are in the northern part of the County, neither are residents of a City.

The DSHS will be releasing information soon on the number of cases that are still active and that should reduce our number as those individuals recover.

On Sunday, April 26, 2020, there was a drive-thru mobile testing site through the Governor's Initiative on COVID-19. Not all of the tests that were done that day have been processed yet. We will provide that information as it becomes available.

These are stressful times for all of us. But we will get through this.

We should still continue to follow all the recommendations and requirements from the state, federal and local governments to **practice social distancing** and **follow personal health hygiene practices**, such as **washing your hands, wear a mask or a cloth face covering** whenever you are out in public and cannot maintain 6' social distancing, **limit to only one person per household** to handle essential functions, such as grocery shopping, whenever possible, to limit exposure for your family and for the workers who are serving you in this critical time.

We, as a County, are all in this together. We can show this support by being faithful to follow the precautions.

If you need information, the County Judge's office is available to assist you at 903-389-3335.

**ALL OF US WORKING TOGETHER CAN MAKE A DIFFERENCE.**
